### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or reasonably teach bores extending from the upper to lower implant surface in which the bores are in communication to one another from the upper to the lower surfaces or at least three bores having sidewalls in open communication with adjacent bores. Thus, the examiner has allowed claims 1,2,5,7-27.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
